

ERIK LANDER  
EDUCATION

***HAIRDRESSER TO BARBER***

This course is aimed at delegates who are already proficient in Hairdressing and wish to develop their Barbering techniques. You will learn the fundamental knowledge and understanding of the basic techniques used in Barbering and how these differ for those used in Hairdressing. This will give you the confidence to master the basic cut shapes and give you a solid grounding ready to move on to a creative level in both Hairdressing & Barbering.

We will cover:

- Maintenance of tools
- Fundamental clippers with attachments
- Fundamental clipper over comb
- Fundamental scissor over comb
- Graduation
- Layering
- Tapering
- Fading
- Blending
- Blow drying
- Health & Safety
- Product knowledge.

***All courses are tailored to suit your needs***

Our course is bespoke to your requirements and can be formatted to suit your needs. Please let us know exactly what you want and we will put together your individual training plan.
